

Specialized Services
for Children & Youth
Together Is Better

Specialized Services for Children and Youth invites you to join us for **Breakfast at SSCY**, our monthly learning series!

Topic: St. Amant Autism Programs: ABA through the years: Where we've come from and where we're going

St. Amant Autism Programs is a provincially funded program delivering early intensive behavioural intervention and consultative services to families of children and adolescents on the autism spectrum.

With a growing waitlist and increased number of children being diagnosed with ASD each year, St. Amant is responding by enhancing our existing services with the goal to increase the number of children served each year while upholding our commitment to evidence-based practice.

In this presentation you will learn about:

- A brief history of the Autism Programs and how it has evolved since their pilot project in 1998
- An overview of the key changes to their service models that went into effect September 2018
- An introduction to the essential concepts and principles of contemporary applied behaviour analysis
- A brief review of the evolution of behaviour science over the past few decades
- Some common criticisms and misunderstandings of applied behaviour analysis

Presented by: Brendan Boehr, MA, BCBA, Coordinator of Clinical Education and Training, and Dr. Kerri Walters, C Psych, BCBA-D, Senior Manager, St. Amant Autism Programs

When: 8:00 – 9:00 am, Tuesday, November 13, 2018

Where: Northern Lights Room, 2nd floor of SSCY Centre, 1155 Notre Dame Ave

Parking: The SSCY Centre parking lot has paid visitor parking, and street parking may be available

Webinar: The session is available as a webinar; visit our website to register and watch live or to watch the recording: <http://sscy.ca/about-sscy/breakfast-at-sscy/>

Mark your calendar for our upcoming sessions:

December 11: Let's talk sibs: A developmental approach to involving siblings in family centred care

January 8: Child and adolescent mental health services within the WRHA

Everyone is welcome to attend, and there is no need to register to watch in person
