

2022 LIFE Sun and Fun Summer Camp - Info Package

In this package, you will find:

- Camp information (3 pages)
- Camp selection form (2 pages)
- Participant demographics form (3 pages)
- Photo consent form (1 page)

REGISTRATION DEADLINE

April 14th, 2022

Who is eligible to attend?

- Campers aged 12 – 20 (birthday between 2002 and 2010) with physical and/or developmental disabilities
- Children 8 - 11 may be considered, with complex physical care needs such as:
 - GT feeds
 - Ventilator dependent
 - Medical issues requiring a specialized environment

NEW THIS YEAR: We are excited to offer 1 week of camp for ages 6-11 called Snapshot. This camp is designed for children who haven't had a successful experience at community-based camps and require a more flexible environment to flourish. Acceptance into this camp is conditional on follow-up discussion.

What support is provided?

Each camper is paired up with a recreation support worker hired by the Rehab Centre for Children, called a 'camp buddy'. Buddies support their camper's engagement in fun recreational activities and help to foster relationships between campers, as well as addressing the camper's personal care needs. Buddies help to facilitate activities and ensure that they are modified for each camper's level of ability. Camp supervision is provided by rehabilitation professionals (physiotherapists, occupational therapists, and recreation therapists).

What is the cost?

The registration fee is **\$104** per camp week. This is the responsibility of the family. Please contact us if this fee is a barrier to your participation. Funding for all other camp costs is provided by the Children's Rehabilitation Foundation and their donors.

The cost of camper buddies is funded by supporting agencies such as CDS, CLdS, and CFS. **Please discuss your plan to attend camp with your worker before submitting a registration form.**

This program is generously funded by the Children's Rehabilitation Foundation and their donors. For more information on their work with families and children with special needs, visit their website at www.crf.mb.ca

How do I register my child?

Please review the camp details below to learn more about each camp. To ensure space for all, campers can attend a maximum of two weeks per summer. Families are required to provide us with their top four choices of weeks; we try our best to ensure that families receive two of their top four preferences.

Registration deadline is April 14th, 2022.

We require all forms signed and returned to register your child for camp. Please return your completed camp package via fax, mail, or drop-off to:

Camp descriptions:

We are excited to offer **eight** unique summer camps this year! All of our camps are:

- Open to **both ambulatory participants and wheelchair users**
- **4-day weeks** (Tuesday – Friday)

Our camps will be running in five different locations this year, please see the table below:

	July 5-8	July 12-15	July 19-22	July 26-29	Aug 2-5	Aug 9-12	Aug 16-19
North End	Swim	Swim	Snapshot	Music			
SSCY					Chef/Gardener	Art	Swim
Selkirk MB				Swim	Swim		
Out & About						O&A	O&A
South End	Music	Wilderness	Active				

Addresses:

- North End – St. John’s High School, 401 Church Street (tentative)
- SSCY Camp – 1155 Notre Dame Avenue
- Selkirk – Christ Church, 227 McLean Avenue, Selkirk MB
- Out & About – locations change daily
- South End – Converge Church, 590 University Crescent

This program is generously funded by the Children's Rehabilitation Foundation and their donors. For more information on their work with families and children with special needs, visit their website at www.crf.mb.ca

REHABILITATION
CENTRE FOR
CHILDREN

Each of our camps follows a predictable schedule that is provided to families ahead of time. Campers and their buddies are always invited to modify the schedule to best suit the campers' needs, with the support of the supervising therapists. Scheduled camp activities such as swimming, yoga, music, art, Zumba, and archery are interspersed among unscheduled camp activities which include biking, crafts, games, sports, group games, and our signature Friday afternoon water fight! **Drop off is between 9:00-9:30 and pick up is between 3:00-3:30.**

Swim Camp:

North End and SSCY Camps: Campers are dropped off each day at Sargent Tommy Prince Place (90 Sinclair St) for a morning of swimming, then head back to the camp location for an afternoon of fun.

Selkirk: Campers spend the morning engaging with fun camp activities, then make their way to the outdoor pool for an afternoon of swimming.

Music Camp

Campers spend part of the morning in music therapy and spend the rest of the day with other activities.

Art Camp

Campers work with an art facilitator each morning to create an art project that they'll get to show off at our Friday art show. Afternoons are spent engaging in fun camp activities.

Chef Camp

This camp focuses on stepping out of your comfort zone in the kitchen! Campers will prepare different foods each week while practicing food handling and safety skills. New and interesting ingredients are incorporated to create opportunities for tasting adventures. If available, we'll visit nearby garden spaces to pick our own yummy treats to incorporate.

New - Wilderness Camp

Campers will get to expand their wilderness skills when we try tent-building, plant identification, geocaching, and more – in addition to our regular camp activities. No previous experience required!

New - Active Camp

This camp will feature a variety of adapted sports to try out during the week, as well as active group games, biking, and other activities to keep campers moving all day.

New - Snapshot Camp

We are so excited to offer a camp for ages 6-11 this year for children who haven't had a successful experience at community-based camps and require a more flexible environment to flourish. Snapshot will include a large variety of camp activities, providing campers with a 'snapshot' of camp at RCC!

***Out & About Camp**

*This camp does not follow the same format as our other camps. This is a community-based camp, where we visit different locations each day such as the Zoo, museums, mini golf, bowling, and more. Families are responsible for drop off and pick up; we provide transportation between camp activities.

This program is generously funded by the Children's Rehabilitation Foundation and their donors. For more information on their work with families and children with special needs, visit their website at www.crf.mb.ca
