|--|--|--|
| Bulletin No: 24-056 | Department: Rehabilitation Services | Posting Date: December 13 th , 2024 |
| Position: Occupational Therapist 12-Month | Reports to: Director of Onsite Therapy | Start Date: February 3, 2025 |
| Job Type: Unionized | Employee Group: MAHCP | EFT: 1.0 EFT Indefinite term; anticipated until August 2026 |

Responsibilities:

The Rehabilitation Centre for Children is a community-based health care facility providing services for children with special needs and their families in Manitoba and surrounding areas.

The Rehabilitation Centre for Children requires an Occupational Therapist to provide service to infants, children and youth referred for therapy services at SSCY in the Onsite Therapy Program. The Occupational Therapist acts as a resource person to other health care professionals, team members and to the community. Client populations include cerebral palsy, neuromuscular and neurological conditions and autism spectrum disorder. Service area is primarily in the assessment and provision of occupational therapy services for preschoolers onsite.

The Occupational Therapist utilizes advanced skills and knowledge and performs at a high level of independence as a clinical practitioner, leader, consultant and educator. Practices are in accordance with RCC policy and professional standards. This includes:

- Collaboration with all healthcare providers and community agencies who are involved with the child.
- Ongoing liaison with the child's caregivers.
- Assessment, intervention, collaboration and development of goals with child and family.
- Participation in continuous quality improvement, research, client and staff education initiatives.

Education, Licenses, Registration & Experience:

- Clinical Master's Degree in Occupational Therapy or equivalent required.
- Licensure by the College of Occupational Therapists of Manitoba required.
- Excellent interpersonal skills.
- Physical fitness for lifting and bending and handling children.
- Advanced written and verbal communication skills.
- Ability to work effectively both independently and within an inter-disciplinary team.
- Minimum of two years recent clinical experience in pediatric occupational therapy is preferred. Specialized experience in the areas of cerebral palsy, neurological and neuromuscular conditions is an asset. Experience in a pre-school population is an asset.
- Employment is subject to criminal records and child abuse registry checks.

Hours of Work: Monday to Friday – 7.5 hours per day, 12-month position. Some flexibility of days of work and start/end times related to clinical demands and occasional travel. Travel expenses for travel related work are covered.

Salary: \$39.898 – \$46.247 per hour as per MAHCP salary scale.

Conditions of hire:

- Must be legally entitled to work in Canada and able to present a satisfactory Criminal Records Check (Including Vulnerable Sector Search), Child Abuse and Adult Abuse Registry Check.
- Must have a valid driver's license and access to a reliable vehicle for work purposes.

RCC is strongly committed to equity and diversity and especially welcomes applications from indigenous peoples, persons with disabilities, racialized persons, persons of all sexual orientations and genders and others who may contribute to the further diversification of ideas. Accommodation is available on request for candidates taking part in all aspects of the selection process. If you require accommodation support during the recruitment process, please contact Jessica Sanchez (Hr@rccinc.ca), all qualified candidates are encouraged to apply.

We thank all applicants that apply but only those candidates selected for an interview will be contacted.
