

REHABILITATION CENTRE FOR CHILDREN (RCC) JOB OPPORTUNITY

Bulletin No: 26-048 REPOST	Department: Prosthetics & Orthotics	Posting Date: September 1 st , 2026
Position: Certified Orthotist (Orthotic Resident will be considered)	Reports to: Manager of Prosthetics & Orthotics	Start Date: ASAP
Job Type: Non-unionized	Employee Group: N/A	EFT: 0.5 EFT permanent

Position Overview:

Assessment, design, and fitting of orthotic devices. Attendance and consultation at clinics as required. Provide the public with the highest quality of care. Devices are fabricated and fit as expediently as possible within the time constraints of the department workload and requirements of the patient. Assure proper, comfortable fit and alignment of devices and make necessary modifications to maintain same.

Responsibilities:

- Communicate treatment plan and material selection to Technicians through comprehensive work order form.
- Attends appropriate clinics where they will assist in the formulation of an orthotic prescription in consultation with the physician and allied health team members.
- Determines the design and type of orthosis according to clinical patient assessment and the physician's prescription. This includes:
 - Casting, measuring, and cast modification. Using Vorum technology primarily.
 - Fitting, alignment, routine follow-up, outcome documentation.
 - Assure the proper fabrication of the orthosis by technical staff.
 - Instruct patients in care and use of the device, and hygiene.
- Maintains adequate patient records in accordance with established standards.
- Maintains up-to-date knowledge of current trends, techniques and practices and is able to pass this information on by explanation or demonstration to other members of the department and facility staff.
- Provide clinical teaching and supervision to orthotic residents, interns and students as required.
- Study current literature and attend conferences, seminars, etc. approved but the department administrative team (Manager and Director). Provide an information session for interested staff within one month following attendance at a course or conference.
- Participation on facility committees and work groups to support collaborative care environment and advance the RCC strategic plan.
- Provide family-centered, culturally proficient care.
- Performs other related duties as assigned by the Manager.

Qualifications:

- Certification as a Certified Orthotist, CO(c) with Orthotics Prosthetics Canada preferred, or enrollment in the Residency program with OPC.
- Member in good standing with Orthotics Prosthetics Canada.
- Member in good standing of the Manitoba Orthotics Prosthetics Association preferred.
- Previous experience in a pediatric clinical setting is an asset. Two to five years' post-certification experience preferred.
- Experience with OPIE Software considered an asset.
- Experience with VORUM CAD-CAM technology considered an asset.

Hours of Work: 20 hours per week.

Salary: commensurate with qualifications and experience.

Conditions of hire:

- Must be legally entitled to work in Canada and able to present a satisfactory Criminal Records Check (Including Vulnerable Sector Search), Child Abuse and Adult Abuse Registry Check.

RCC is strongly committed to equity and diversity and especially welcomes applications from indigenous peoples, persons with disabilities, racialized persons, persons of all sexual orientations and genders and others who may contribute to the further diversification of ideas.
